Base Entry Fee

The base entry fee is \$1,500 per team. 80% of each base entry fee will be paid out as the base purse.

Base Purse Payout

The base purse will be paid out to the two teams with the largest marlin of the tournament, weighing 400 pounds or more.

The largest marlin will receive 70% of the base purse and the second largest marlin will receive 30% of the base purse. The same team can win both the largest and second largest marlin. If only one qualifying marlin is weighed, 100% of the base purse will be paid to the team weighing the only qualifying marlin.

Should there be a tie with 2 teams catching marlin that weigh the exact amount, the base purse will be split 70% to the team that arrived at the tie position first, and 30% to the team that arrived at the tie position second. There will only be two places paid, regardless of the number of teams tied.

2023 LURE MAKER'S CHALLENGE TOURNAMENT

In the event that no marlin are weighed through the course of all three days of fishing, the purse from the Base Entry Fee shall NOT revert from Biggest Marlin to Total Points and will NOT be awarded to teams with the most total tag points. The intention is to keep this a Biggest Fish Tournament in the Base Purse entry category.

If no marlin are scaled, the teams shall have the option to receive a refund in the amount of 100% of their base purse fee, or they can elect to roll that money over to another HMTS event.

OPTIONAL ENTRY DIVISIONS

Optional jackpots also follow all tournament and IGFA rules.

Entrants compete only against the specific teams entered in the same categories.

90% of all optional jackpot entry fees will be returned as prize money. In the event that a team does not receive a matching entry from another team in an optional category, that team shall be refunded 100% of the entry fee for that optional category.

Rules to Win Optional Categories

There are a variety of dollar value entry levels into which a team may choose to enter. Teams compete only against the other teams entered in the same specific category and dollar level. Teams entered in the \$100 daily compete only against other teams in the \$100 daily, etc. etc.

You cannot win an optional entry category if you are not entered into that category. Likewise, you can't win a specific dollar level if you are not entered in that dollar level.

Dailies: You must enter all three days of any daily category, you may not enter just one or two.

There shall be only one place paid per category, unless there is a tie, in which case, the optional category purse will be split as outlined on Page 4.

SCORING

Blue or Black Marlin brought to the scales 400 pounds or better shall be judged firstly on weight, secondly on points, should points apply.

In the instance(s) that points do apply, marlin 400 pounds or better shall score 1 point per pound. For example, a 400 lb marlin will score 400 points, a 412 pounder will score 412 points, etc. Marlin weighing in less than 400 pounds will receive zero points.

Every boat that takes a marlin on board must call in a short measurement to tournament control within 15 minutes of boating the fish.

TAGGED MARLIN

Each Blue or Black Marlin will receive 165 points per tag and release, regardless of size. Verification of species must be clear through videos taken by cameras provided by tournament control - or - with your approved personal device. **Teams should always employ as many back up videos from as many cameras as possible.** One never knows with wild animals at sea.

Tag and Release Verification

See: HMT Series General Rules *Section 2.08 Tagging and/or Gaffing* - and - *Section 3 Tag and Release Requirements*

2023 LURE MAKER'S CHALLENGE TOURNAMENT

BIGGEST MARLIN OF THE TOURNAMENT

The various entry levels for the Biggest Marlin of the Tournament shall pay the team entered in each level that catches the single largest marlin, weighing 400 pounds or better, after all three days of fishing.

Should there be a tie with 2 teams catching marlin that weigh the exact amount, the tie shall be split with 70% going to the team boating the first marlin, and 30% going to the team boating the second fish.

Should there be no marlin weighed after three days of fishing, Biggest Marlin of the Tournament shall NOT revert to tag and release points. The teams shall receive the option of a refund or a roll forward, of 90% of their entry in that daily category.

BIGGEST MARLIN PER DAY

The purse allotted for each day is awarded to the single largest marlin caught that day that meets or exceeds 400 pounds.

In the event that no marlin 400 pounds or better is caught on Day One and/or Day Two, but there is a marlin 400 pounds or better caught on Day Three, the money allotted for Day One and Two will roll forward and be added to that allotted for Day Three. Should a marlin 400 pounds or better be weighed on Day One but not Day Two or Three, the money shall roll back and be awarded to the largest marlin of Day One.

In the event that a marlin is weighed on two days, but not on the other day, the purse allotted for the day with no marlin will be awarded to the winners of the other two days with 70% going to the largest marlin and 30% to second largest marlin.

Should there be no marlin weighed after three days of fishing, Biggest Marlin Per Day shall NOT revert to tag and release points. The teams shall receive the option of a refund or a roll forward, of 90% of their entry in that daily category.

MOST POINTS OF TOURNAMENT

The purse allotted for this division shall be paid to the team that amasses the most total points of the tournament for all three days combined weighed fish and tag points.

This scoring shall be calculated at 1 point per pound for weighed Blue or Black Marlin 400 pounds or better, and, 165 points for each tagged and released Blue or Black Marlin. All weighed marlin will be scored 1 point per pound provided that they weigh at least 400 pounds. If the marlin weighs less than 400 pounds, it will receive zero points.

Tag and Release points do apply, and both of the Most Points divisions may revert to only tag points in the event that no marlin are weighed, 400 pounds or better.

MOST POINTS PER DAY

The purse allotted for each day is awarded to the team with the greatest number of points earned on that day. This scoring shall be calculated at 1 point per pound for weighed Blue or Black Marlin and 165 points for each tagged and released Blue or Black Marlin. All weighed marlin will be scored 1 point per pound provided that they weigh at least 400 pounds. If the marlin weighs less than 400 pounds, it will receive zero points.

In the event that no points are earned on Day One and/or Day Two, but there are points earned on Day Three, the money allotted for Day One and/or Day Two will roll forward and be added to that allotted for Day Three.

2023 LURE MAKER'S CHALLENGE TOURNAMENT

Should points be earned on Day One but not Day Two or Three, the money shall roll back and be awarded to the team with the most points earned on Day One.

In the event that points are earned on two days, but not on another day, the purse allotted for the day with no points will be awarded to the winners of the other two days with 70% going to the team with the most points earned on their qualifying day and 30% to the team with the second most points earned on their qualifying day.

Tag and Release points do apply, and both of the Most Points divisions may revert to only tag points in the event that no marlin are weighed, 400 pounds or better.

TIEBREAKER IN OPTIONAL PURSE CATEGORY

In case of a tie in an optional purse category, the optional purse for that category will be split 70% to the team that arrived at that position first, and 30% to the team that arrived at the position second. There will only be two places paid, regardless of the number of teams tied.

NOTE: The determination as to what time a fish is Boated or Tagged & Released is based upon the time reflected on the Radio Log, as recorded by Tournament Control Radio. The time a team calls in and reports the qualifying fish is when it is recorded, not the time it was gaffed or tagged.

Refunds in Optional Categories

Should no marlin be weighed 400 pounds or better by any team in the Biggest Marlin of Tournament and Biggest Marlin per Day optional category division, the jackpot portion of that category shall be refunded, or teams may opt to roll their refund into a future event. If no fish are caught or tagged in the Most Points of Tournament and Most Points per Day optional category divisions will be refunded or rolled forward.
