NOT be awarded to teams with the most total tag points. The intention is to keep this a Biggest Fish Tournament in the Base Purse entry category.

### **Throw Down Purse Award**

The total purse (100%) from the Throw Down Entry Fee (\$5,000.00) shall be awarded to the Team with the Single Largest individual marlin weighed during the three fishing days of the tournament.

*Should no marlin be weighed 400 pounds or better by any team in this additional Throw Down division, 100% of that purse shall be refunded to entrants. This division will not revert to tags.*

### **SCORING**

Blue or Black Marlin brought to the scales 400 pounds or better shall be judged firstly on weight, secondly on points, should points apply.

In the instance(s) that points do apply, marlin 400 pounds or better shall score 1 point per pound. For example, a 400 lb marlin will score 400 points, a 412 pounder will score 412 points, etc. Marlin weighing in less than 400 pounds will receive zero points.

Every boat that takes a marlin on board must call in a short measurement to tournament control within 15 minutes of boating the fish.

If there is a tie in weight with two boated marlin, 60% shall be awarded to the first fish caught – as recorded in the Tournament Control radio log of when the “caught fish” call was radioed in - and 40% shall be awarded to the second fish caught, per the log. If there are three marlin weighed in at the exact same weight the first shall receive 50%, the second 30% and the third 20%, as recorded by the Tournament Control radio log.

### **TAGGED MARLIN**

Each Blue or Black Marlin will receive 200 points per tag and release, regardless of size. Verification of species must be clear through videos taken by cameras provided by tournament control ONLY. If the “official” camera is lost overboard or otherwise broken, the tournament director may allow a team to use another camera on board for the remainder of that fishing day only. Teams should employ backup cameras and the images may be accepted in case of problems with official cameras. One never knows with wild animals at sea.

See HMTS General Rules for details on tag and release video.

### **OPTIONAL ENTRY DIVISIONS**

Optional jackpots also follow all tournament and IGFA rules.

Entrants compete only against the specific teams entered in the same categories.

## **2017 KONA THROW DOWN TOURNAMENT - TOURNAMENT RULES**

90% of all optional jackpot entry fees will be returned as prize money. In the event that a team does not receive a matching entry from another team in an optional category, that team shall be refunded 100% of the entry fee for that optional category.

### **LARGEST MARLIN OF THE TOURNAMENT**

The various entry levels for the Largest Marlin of the Tournament shall pay the team entered in each level that catches the single largest marlin, weighing 400 pounds or better, after all three days of fishing.

Should there be a tie with 2 teams catching marlin that weigh the exact amount, the tie shall be split with 60% going to the team boating the first marlin, and 40% going to the team boating the second fish.

Should there be no marlin weighed after three days of fishing the teams shall receive the option of a refund or a roll forward, of 90% of their entry in that daily category.

### **BIGGEST MARLIN PER DAY**

The purse allotted for each day is awarded to the single largest marlin caught that day that meets or exceeds 400 pounds.

In the event that no marlin 400 pounds or better is caught on Day One and/or Day Two, but there is a marlin 400 pounds or better caught on Day Three, the money allotted for Day One and Two will roll forward and be added to that allotted for Day Three. Should a marlin 400 pounds or better be weighed on Day One but not Day Two or Three, the money shall roll back and be awarded to the largest marlin of Day One.

In the event that a marlin is weighed on two days, but not on the other day, the purse allotted for the day with no marlin will be awarded to the winners of the other two days with 60% going to the largest marlin and 40% to second largest marlin.

If there are no marlin weighed during the tournament, the team shall receive the option of a refund or a roll forward, of 90% of their entry in that daily category.

This scoring shall be calculated at 1 point per pound for weighed Blue or Black Marlin 400 pounds or better, and, 200 points for each tagged and released Blue or Black Marlin. All weighed marlin will be scored 1 point per pound provided that they weigh at least 400 pounds. If the marlin weighs less than 400 pounds, it will receive zero points.
