## 2019 SKINS MARLIN DERBY - TOURNAMENT RULES

### BASE PURSE ENTRY FEE

The base entry fee is \$2,400.00

100% of each base entry fee collected will be paid out towards the base “Skins” purse.

\$800 of each entry fee (1/3 of \$2,400) will be allocated to each fishing day Skins purse.

EXAMPLE: 30 Boats x \$2,400 = \$72,000 base purse/3 = \$24,000 per day Skins purse.

### SCORING

#### WEIGHED MARLIN

Points only come into play in the Base Purse when any remaining Skin purse is not claimed by a marlin 500 pounds or better, at the end of 3 days of fishing. Points are cumulative, over all three days, and apply towards winning any money that was not won by a Skin – once the tournament is completely over.

Blue or Black Marlin brought to the scales 400 pounds and better shall score 1 point per pound.

Marlin weighed in 500 pounds or better, will also be scored 1 point per pound – even if they win Skin money.

Marlin weighing in less than 400 pounds will receive zero points.

#### MARLIN OVER 500 POUNDS

Although any marlin 400 pounds or better may be brought to the scales, only Blue or Black Marlin that weigh 500 lbs. or better to qualify to win a Skin.

#### TAGGED MARLIN

Each Blue or Black Marlin will receive 200 points per tag and release, regardless of size. Verification of species must be clear through photos taken by cameras provided by tournament control ONLY.

#### WINNING SKIN MONEY

The biggest marlin, **500 pounds or better**, will take all the base purse skin money allocated for the day it was caught, and possibly day(s) prior if no marlin 500 pounds or better was caught.

If there is no marlin 500 pounds or better caught on the first day, the money will “push” and be added to the second day. The biggest marlin caught on the second day, 500 pounds or better, will take all the money combined from the first and second day. If there is no marlin caught on either the first or second day, the Day One and Day Two prize money will then be added to that allocated for Day Three. The entire prize money package will now be up for grabs in a “winner takes all.” If there are marlin weighed 500 pounds or better on Day Three, the single largest marlin 500 pounds plus will win all the Skin money that has rolled forward.

In the event there is a Skin fish caught on Day One and Day Three, but not on Day Two, then the Skin fish caught on Day Three will collect the money for Day Two and Day Three.

NOTE: Skins always roll forward and never roll back, in the same manner in which a Skins golf tournament operates – any purse not claimed goes to the next day. In golf it goes to the next hole.

**WINNING SKINS PURSE WITH POINTS**

Any remaining purse, not already claimed by a Skin fish (be it for one, two or three days) will be awarded to the team with the most total points after three full days of fishing.

If there are no marlin weighed in, 500 pounds or better, after the three full days of fishing, the team that has amassed the most total points of the tournament will win all the base purse money. Tie breakers are outlined on Page 5, should there be more than one team with the same amount of points.

In the event that no marlin are tagged and released, and no marlin 400 pounds or better are caught in all three days of the tournament, the teams shall have the option of receiving their \$2,400.00 Base Purse Entry Fee as a refund, or rolling forward that amount to another Hawaii Marlin Tournament Series tournament.

**ESTIMATED WEIGHT**

Every boat that takes a marlin on board must call in a short measurement to tournament control within 15 minutes of boating the fish, along with an estimated weight.

**OPTIONAL ENTRY DIVISIONS**

Once a team has paid the Team Base Entry and the Base Purse Entry Fee they may enter Optional Entry Categories. Optional jackpots follow all tournament and IGFA rules.

Entrants compete only against the specific teams entered in the same categories.

90% of all optional jackpot entry fees will be returned as prize money. In the event that a team does not receive a matching entry from another team in an optional category, that team shall be refunded 100% of the entry fee for that optional category.

**OPTIONAL DAILIES**

NOTE: Optional Dailies can roll forward And/Or Backwards – whereas Skins do not.

**BIGGEST MARLIN OF THE TOURNAMENT**

The various entry levels for the Biggest Marlin of the Tournament shall pay the team entered in each level that catches the single largest marlin, weighing 400 pounds or better, after all three days of fishing.

Should there be a tie with 2 teams catching marlin that weigh the exact amount, the tie shall be split with 60% going to the team boating the first marlin, and 40% going to the team boating the second fish.

Should there be no marlin weighed by any team entered in a Biggest Marlin of the Tournament Optional Entry category, the teams shall have the option of receiving a refund in the amount of 90% of the exact entry fee paid for the exact category not claimed by a winning fish, or they may roll forward the 90% to another Hawaii Marlin Tournament Series tournament.

The Biggest Marlin of the Tournament optional entry category in the Skins shall not revert to most points. The intent is to keep this largest marlin category just that – for large marlin.

Should points be earned on Day One but not Day Two or Three, the money shall roll back and be awarded to the team with the most points earned on Day One.

In the event that points are earned on Day Two and not on Day One or Day Three, then the money allotted for Day One and Day Three will be awarded to the winner on Day Two.

Only one place will be paid per 60/40 split.

### **TIE BREAKERS IN BASE ENTRY “SKINS” DIVISION**

Should two teams weigh marlin over 500 pounds – of the same weight, on the same day – for a “Skin” the tie shall be split 60% to the team boating the first marlin and 40% to the team boating the second marlin, based on the time that the fish was reported to tournament control radio. No more than 2 places will ever be paid, based on time catches were recorded in the radio log.

### **TIE FOR TOTAL POINTS NOT CLAIMED BY A “SKIN”**

Should there be a tie for any money not claimed by a “Skin” fish, the tie shall first be split 60% to the team with the largest marlin over 400 pounds on their card and 40% to the team with the second largest marlin over 400 pounds on their card. Should no team have a marlin over 400 pounds on their card, the tie shall be split 60% to the team arriving at the tag tie position first and 40% to the team arriving at the tag tie position second. No more than 2 places will ever be paid, based on time catches were recorded in the radio log, as confirmed.

### **TIEBREAKER IN OPTIONAL PURSE CATEGORY**

In case of a tie in an optional purse category, the optional purse for that category will be paid to the team arriving at the tie position first. Only one place will be paid.

**The determination as to who arrived at the position first will be determined according to the time reflected on the radio log when the reporting team called in and reported the qualifying fish as being boated or tagged and released, and confirmed by Control.**
